Vehicle Cleaning Fee

Playa Dust is dried, packed and ground up alkali lake bed dust, specifically from Black Rock Desert, Nevada. It's an unpopular souvenir from Burning Man that gets into everything. So miniscule are its particles that you'll be getting them out of whatever you bring for years to come. The interior and exterior of the vehicle will be covered in this fine dust which makes cleaning the vehicle both time consuming and costly. It is your responsibility to return the vehicle in the same condition as it was received. This will mean professionally cleaning the vehicle. To save you the hassle of finding a cleaning company on the return journey and waiting around hours for the vehicle to be cleaned, Apollo is offering the Burning Man Hassle Free Return package which covers your professional cleaning costs and saves you time. If the Burning Man Hassle Free Return package is selected the vehicle must be returned with the black and grey tanks emptied, interior floors swept, rubbish and foreign objects removed and dishes cleaned and stowed.

Labor Day Drop Off

Apollo locations are closed on Monday 2 September 2019, which is Labor Day. For guests who purchase the Burning Man Hassle Free Return package they will have the option of returning their vehicle to the San Francisco branch on Labor Day. Please note there is no refund for early returns. Apollo must be notified on vehicle collection at the latest if you wish to return your vehicle on Labor Day.

Unlimited Generator Package

Your generator usage while on rent is covered by the unlimited generator package. The generator cannot be used for more than 2 hours at any time. The renter is financially responsible for generator burn outs.

Supplemental Liability Insurance (SLI)

SLI protects you against claims made by a third party for bodily injury and/or property damage sustained as a result of an accident while you are operating a rental vehicle. Please refer to the Zurich SLI product brochure available on vehicle collection for information on this product.

Windscreen & Tire Protection Plus Extended Roadside Assistance (WAP)

This includes 1 windscreen, 2 tires, opening vehicle on lock out, lost key replacement up to \$120,
